RE: *United States v. Michael Jackson*  
18 Cr. 594 (JMF)

Dear Judge Furman:

I represent the defendant Michael Jackson, in the above referenced matter, a violation of supervised release based upon Mr. Jackson's arrest on state criminal charges. The Court has scheduled a violation hearing/ status conference on November 16, 2023. I have spoken with Mr. Jackson's state attorney and the state criminal charges will not be heard before November 29, 2023. The defense writes to respectfully submit this first request to the Court to adjourn the violation hearing/ status conference until mid-December 2023. In the event that the state matter is not resolved by the next Court date, the defense would also respectfully request that the Court permit the parties to file an additional status letter in lieu of an appearance. I have conferred with the government and there is no opposition to these requests.

Respectfully submitted,

/s/

Calvin H. Scholar
